According to the scheme sanctioned in G.O.No.Ms. 2107, Development dated 15-5-1944 for the development of fisheries in South Kanara District the Kodi tank has to be cleared of the silt, trimmed and divided into five sections by sluiced bunding for breeding different species of fish separately. A copy of the estimate prepared by the Survey Assistant of this department for this work amounting to Rs.4800/- is enclosed. To ensure speedy execution of this work the Assistant Director of Fisheries, Marine Biology has recommended that the work may be entrusted on a single tender system to the contractors "Homes & Estates, Udipi", who are reliable and are willing to execute the work at the estimated cost. I

p.t.o.

I request that sanction of Government may be accorded for this estimate for entrusting the work to Messrs. "Homes & Estates, Udipi" without calling for tenders or entrusting the work to the Public Works Department which will take an unduly long time before the work is completed and the tank got ready for operation.

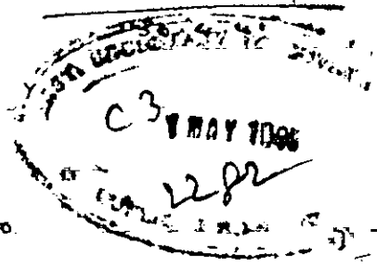
Pwd Dev no 24352/C3/457



As stated by the S I to the execution of the work by the Pwd will cause delay & further owing to other ~~more~~ important works on hand the Pwd will not be able to do the work. If the work is to be executed by the Pwd centage charges will have to be levied & this will ~~natural~~ naturally increase the Cost of the work. This dept may therefore agree to the work being entrusted to ~~m~~ Messrs Homes & Estates Delhi without calling for tenders The words or entrusting the work to the P.W.D "~~in case obtained~~" in para 2 of the draft may perhaps be omitted
